Issue 8: Winter 2021

WELCOME

Welcome to your final Fitwise Newsletter of 2021

Since our last communication we have been busy behind the scenes and would like to share some of our latest news.

As always, we realise not all content will be relevant to everyone, just pick out the areas of interest to you. If you wish to obtain further information about any topic, please just get in touch with your usual Fitwise contact or use marketing@fitwise.co.uk.

CHRISTMAS OPENING HOURS

We would like to wish all of our clients a happy festive season.

Fitwise will:

- Close at midday on Friday 24th December,
- Reopen at 9am on Wednesday 5th January 2022.

OFFICE UPDATE

In line with Tuesday's Scottish Government guidance update, we can confirm that as of yesterday all Fitwise staff are now back to full time remote working.

As it has throughout the pandemic, remote working continues to operate extremely well, and we will continue to adapt in relation to the current guidance.

If you have any specific questions relating to this please liaise with your usual [contact](#).

SERVICE IMPROVEMENTS

Our IT Project Upgrade

We are delighted to announce that Fitwise has secured a digital grant for 50% of a full IT hardware upgrade of our systems.

With implementation planned for early next year, this will be rolled out to staff with minimal disruption and will offer a more flexible, secure and reliable system.

We have signed the Net Zero Carbon Pledge! Have you?

Fitwise are enormously proud to be able to play our part on behalf of our clients and our environment, by signing up to The Net Zero Carbon Events pledge, which was launched at COP26. The pledge commits organisations to achieve "net zero" by 2050, at the latest, and halve greenhouse gas emissions by 2030. You can find out more, and sign your organisation up [HERE](#)

ADDED VALUE

We are Award Winners!

Fitwise is pleased to have received a recognition award from ABPCO (Association of British Professional Conference Organisers).

The award is in relation to how the finances were managed for EFI 2021 (the 34th European Immunogenetics and Histocompatibility Conference), which had a number of different incarnations before being delivered as a virtual event in April.

The award was announced at ABPCO's Festival of Learning earlier this month.

FEEDBACK

We want your feedback!

Please let us know what you think about the Fitwise Newsletter and let us know what you would like us to cover in 2022.

All feedback and comments welcome to your usual Fitwise contact or marketing@fitwise.co.uk
