

GOING FACE-TO-FACE POST-COVID

British Academy of Audiology Annual Conference
18-19 November 2021, MCCC Manchester

THE EVENT

After a very long year and a half of Zoom calls, webinars, e-conferences and Teams meetings, we finally got to hang up our housecoats and step back into the world of face-to-face events!

The British Academy of Audiology (BAA) Annual Conference was one of the first to see through to a successful onsite event. Pushing through the uncertainties of the ongoing pandemic, this 2-day conference saw over 700 Audiology professionals come together for education, networking and a bit of normalcy to an abnormal covid world.
